HOPE FOR LIBERIA

— Est. 2020 —

I'm writing this as Karen and I just got off a 90-minute FaceTime chat with some dear friends in British Columbia. We were updating them on our ongoing work in Liberia and sharing some of the vision that God has placed in our hearts. Before we knew it, the four of us were in tears as we reflected on the **goodness of God** and the **depth of the love that He has placed in our hearts for the land and people of Liberia**. It was truly a beautiful and heart-warming conversation.

Shortly after that conversation, I had a 30 minute call with Pastor Sam in Liberia. He was filling me in on some of the recent responses to the outreaches that were being held. One of the things that really stood out to me was our **Christmas rice outreach**, where **more than 200 seniors**

turned up. They came with their canes and their walkers. They came because they heard about a church that was giving away rice. Not only were these precious seniors moved but their adult children were as

well. Sam said that all week the children of these seniors kept stopping by the church to thank us for what we are doing in the community. They said that they had never heard of a ministry who is doing what we are doing.

I'm telling you, I was moved to tears as I heard Sam's stories of the community's reaction to

our actions. My heart is full as I write this report. I feel blessed. I feel privileged. I feel honoured. All this was made possible because you decided to stand with us in 2020. **THANK YOU!**

Please pray for me as I go back to Liberia, God willing, on January 14th—for safe passage and for God's power to be demonstrated with the teaching of the Word and acts of kindness.

And, if you haven't already heard, we are so excited to let you know that all your gifts in 2020 and moving forward are **tax receiptable**. We received word in November that our **charitable tax number had been approved**. We are so thankful to God for this and we look forward to being able to do so much more in Liberia.

Joe

Our Christmas outreaches were a massive success. Over 300 children were blessed with brand new backpacks, toys, clothing and ... candy! The kids at the orphanage and the dear woman who runs it were so touched by

Our little farm has now produced its first yeild of sweet potatoes, string beans and green onions. People from all over the community reaped the benefits of this first harvest. This type of sustainability is just what the people of Liberia need!
