HOPE FOR LIBERIA

— Est. 2020 —

Summer has come and gone and, as we ourselves are in southern Ontario, we are preparing to make the transition into the fall season. While I love the summer months, I'm actually really looking forward to the fall because I get to go back to Liberia. I will be **leaving Toronto on September 8th and arriving back on the 29th**. This three-week trip is shaping up to be one of my busiest trips yet.

We'll be hosting a **2-day Pastors' Conference**. Please pray for this event. Many of these dear pastors don't get very many opportunities to sit under the teaching of overseas teachers. I absolutely love teaching in Liberia because they are so hungry to learn about the culture and deeper meaning behind the Scriptures. **We host these conferences for free** because we want as many pastors as possible to attend.

It costs \$20 per pastor to host these special events. That price ensures that every pastor will receive a copy of my book "Understanding Jesus", bottled water, snacks, and a lunch each day. If you feel led to sponsor a few pastors that would be amazing!

I'm also super excited to go visit William Potter Town in Grand Bassa County—where **you helped**

us dig our 4th well. Make sure to monitor my social media as I will be posting lots of pictures and videos. I'll also be **going back to Tesshea town to check on our third water well and visit with our precious little Lorpu**.

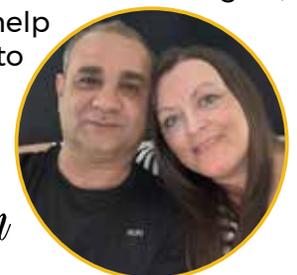

As the **"chicken pastor"**, I will also be bringing you a report on our **newly acquired 500 chickens** and update you on how our **community egg outreach** is affecting the lives of thousands of people each month.

Please pray for continued protection as I travel to, through and back from Liberia. Pray for health and continued provision. God has been so good. You have been so faithful. We know that what the Lord has begun, He will help us bring it to completion.

UPDATES

School

The construction of the school is coming along nicely. Students will be returning to class in October (because of COVID delays). By the time this reaches you, the roof will be going up. To this community, putting on a roof tells people that you mean business and that you're committed to the project.

We continue to raise funds for the furnishings of the school and providing for students' needs as well as salaries for our 10 teachers (approximately \$40/month/teacher).

Pastor Sam

Pastor Sam and his wife, Comfort are crucial in all of our ministry and humanitarian programs in Liberia. Please join us in praying for them and their family. In recent months, Pastor Sam came down with a severe case of malaria and then typhoid.

Please pray for continued health and protection over their lives as well as the lives of all those who serve in our many different projects across the country of Liberia. They are our hands and feet!

Clothing + Rice

On this trip, we plan to visit three villages to bring clothing for the children and rice for the families. Out of all the amazing things that we get to do in Liberia, serving the people who live in remote villages brings the greatest amount of joy.

Thank you so much for all the ways you have helped us accomplish all these amazing and life changing projects in Liberia! We can see the impact your love is having on the people there. You are affecting so many lives in more ways than you can imagine!

Yes! I want to help the people of Liberia!

I would like to give my donation of \$ to help with our upcoming projects.
