

HOPE FOR LIBERIA

“God, give me a ministry I cannot do without You.” — This was, by far, the most dangerous prayer I have ever prayed. That prayer has brought me to my knees, time and time again. The projects that we have been able to accomplish in Liberia and the people we have been able to help are nothing short of miraculous. Time and time again, we have experienced the **supernatural provision and blessing of God.**

In April of 2019, when I received the vision to purchase a 5-acre property on the main road, the Lord showed me several buildings that I felt that He wanted there to be. The first was a multi-purpose building that would be a combination of a **church/community centre.** We were able to do that in 2020. I also had a strong sense that we were to build a **school** for hundreds of children. We did that in 2021... during a global pandemic. The final and missing piece is an **orphanage.** Our vision includes the desire that the children who stay there will also be able to attend our school.

And so, here we are in 2022 and... we have begun the construction of our orphanage, that we are calling the **“House of Hope”.** This dream is becoming a reality because of some very special and wonderful people who obeyed the direction of the Lord to give a very generous donation to make this happen. *(This picture below was taken mid-July of the current progress of the orphanage.)*

Pastor Sam and his family, the people of the community—and even the Mayor of Careysburg—are blown away and are incredibly grateful for the **COMMUNITY OF HOPE** and the much needed change that it is bringing to the area.

THE NEXT PROJECT:

The goal for the next phase is to raise \$35,000 to be able to build the walls and pour the concrete floor slab of the orphanage.

FARM LAND UPDATE:

Please see the back page to find out what's happening with this project.

SHORT TERM MISSIONS TRIP:

Our team leaves Toronto on September 1st and will return on the 12th. Please keep all of them and their families in your prayers for their health and safety and that our time there will be effective and our reach would be long-lasting in the areas that we are going to be helping.

FARM LAND UPDATE

The rainy season (May to October) has kept us on our toes these past couple of months for getting the land cleared...but it's on its way! The team is **clearing it by hand** and we hope to be able to start planting soon. Above you can see part of the team on the property as they are hard at work and cook for themselves—please **pray for their safety**.

MONTHLY DONATIONS

When you give a monthly donation, your financial support helps ensure that **children can attend school** either for free or at a greatly reduced rate. These children are also **fed each day**. Your gift supports a **blind community** by providing food and supplies like walking canes. It cares for **widows and orphans**. It helps widows like Rita (pictured at the left) to be able to start their own small businesses so that they can provide for their children. Your support provides **wells** to communities that are struggling with a source of **clean water**. It also helps to provide **food and medical supplies** to the most needy.
