

HOPE FOR LIBERIA

SEASON'S GREETINGS to all. No matter where in the world you are, we pray that this Christmas season will be filled with the peace and love of God. We pray that you will continue to experience the power and presence of God in your home and life.

It's hard to believe that 2022 is coming to a close and that the dawn of a new year is just around the corner. Before we can look ahead, it's important to **look back and give thanks**. We experienced the **favour and blessing of the Lord**, both here in Canada and over in Liberia. Hope for Liberia will turn three years old on January 1st, 2023. Each time I step onto the property of the Community of Hope, I can't help but pause and give thanks to the Lord. As I walk through the **Multi-Purpose Centre**, walk around our **5 beautiful acres of land** on the main road, as I walk through the **school halls** and hear the voices of hundreds of children, my heart is full.

This past September, I had something wonderful happen to me: **I received my Permanent Resident Status for Liberia**. Yeah... me! I was so humbled to receive

such an honour. Each time I go through customs and show the officer my PR status, there is an instant smile as they **embrace me as a brother**. Nothing like this has ever happened to me before. It meant a lot to me. It was as if the Lord Himself was declaring to the people of Liberia, that it was truly Him who had called me there to serve. And so, **Joe "Kolleh" Amaral is a Liberian!**

This status only serves as an example of what I have felt for a while. Serving in Liberia and ministering to the people's spiritual

and physical needs has been the honour of a lifetime. **I'm always praying and asking God for more vision, for more direction, for more provision**. That's where you, our faithful friends and partners have come in. You've helped us raise more than **\$380,000** thus far in 2022. Because of this, we were able to keep the **school fully**

staffed, children fed, buses going, start to build the orphanage, help widows, and so much more. Investing in the lives of the 300-plus students has been a journey of faith. We did our part. You did your part. And...God did His part.

2023 is all about security and sustainability. We're building the **orphanage—the "House of Hope"**—which will provide safety and security for almost 100 orphans. Along with this project, we're working hard on **Hope Farms** to provide our community with the many necessary staple foods such as plantains, cassava, and potatoes. It will also allow local Liberians to **farm their own land** and reap the benefits of their own hard work. **We are passionate about sustainability!**

Please consider making a special end-of-year gift, or help us start 2023 strong with a New Year donation or partnership. We love you guys and are so thankful for all of your amazing support.
