

# HOPE FOR LIBERIA

Hi Friends,

Each newsletter, I share my thoughts about all that is happening in Liberia and I thought it would be nice for you to hear directly from Pastor Sam-Abel Gbinsay about the impact your donations are having on the people in his community.

## Letter of Gratitude To Hope For Liberia's Partners and Donors

*I can't put into words the kind of impact that Hope For Liberia has had and continues to*

*have on the people of Liberia through **education, healthcare and medical outreach, humanitarian services, agriculture, economic empowerment,** and more.*

*By living up to the true meaning of its name, Hope For Liberia remains a **source of hope and***

*inspiration to many including my family, the ministry, and the larger community.*

*With the purchase of a **5-acre property** and **building the Community of Hope (COH)** with the support of Hope For Liberia, the COH continues to provide **quality education for disadvantaged students, feeding program, safe drinking water, skills and economic empowerment training center, worship center** and currently constructing the **House of Hope**—a home for orphans and homeless children.*

*With **Hope Farm** (30 acres) agriculture and farming currently taking shape; we cannot put into words how much hope and impact has been inspired and made by Hope For Liberia in post war Liberia recovery programs. **We are forever grateful to Hope For Liberia, partners and donors** for your continual support as none of this would have been*

*possible without your gifts of generosity and love.*

*With kindest regards,*

*Sam-Abel Gbinsay*

We are so grateful for the support you have given to so many Liberians. Please know that your donations are making a huge difference in the lives of so many people...especially the lives of children. They are growing up with hope for their future and the education to make a difference in their country.

Please keep me (Joe) in your prayers as I head back to Liberia from June 1st to the 11th. Pray for safety, health and an effective time of ministry.

God bless you!

*Joe & Karen*

# THANK YOU!

Here is how your donations have helped in the last two months . . .

Exam Fees for a Widow's Daughter

Medical Assistance for Orphans

Education for Students

Medical Assistance for a C-section

## CONTINUING TO BUILD THE HOUSE OF HOPE ORPHANAGE

We are thrilled to tell you that the orphanage continues to be built. Thanks to your generosity, we are on target to have it completed before the end of the year, God-willing. **Check out our socials for live updates in June.**

Thank you to many who responded to this sweet new mom. She was rescued from the ghetto while pregnant and had no money for a C-section. Your giving made it possible for her to have a safe delivery. One in ten women die during childbirth in Liberia and this was such a blessing to be able to help bring a new little life into the world safely.
