

HOPE FOR LIBERIA

Hi Friends,

Each week we get closer and closer to finishing the **House of Hope Orphanage**. It has taken a massive amount of work to complete the outer structure and we are thrilled to say the main frame is complete! It took

more work and more money (doesn't every building project?) than we had anticipated, but these extra steps will allow us one day to be able to structurally and safely add two more floors if

we outgrow the rooms allotted now on the main floor.

We're looking forward now to completing the work on the **windows, doors, floors, bathrooms and electricity** so the children can move into the space. Our hope and prayer is that it will be operational by **Christmas** so the children can celebrate together in their new home!

From **November 9th to the 19th**, I (Joe) will be in Liberia with three other pastors (Mike from Tottenham, Peter from Timmins and Sam from Petrolia). We'll be carrying out different projects in Liberia as well as hosting a **pastors' conference** in Monrovia. Our goal is to not only feed them spiritually but also with meals throughout the conference.

We are praying that we will be the **hands and feet of Jesus** wherever we go in Liberia during that trip. Please pray that

those whose lives would be the most changed would come our way so that we can truly **make a difference** in people there. There is **so much need** and we want to help in whatever way we are supposed to!

Please keep us—along with each of our families not travelling with us—in your **prayers for our health, strength and safety** during this trip and that we will be able to be effective in our ministry to others.

We hope you'll stay tuned to our social media to see all that happens! It's shaping up to be an exciting trip!
