

# HOPE FOR LIBERIA

Hello Friends!

It's hard to believe that we are already in the second month of 2024. I'm humbled and excited to report that **2023 was our best financial year on record**. It's amazing to see how far the Lord has brought Hope For Liberia in just four short years.

The **Community of Hope in Careysburg is thriving**. **Hope Farm in Bong County is producing rice at an accelerated rate**. We thank God for His favour and for the awesome agricultural team who work around the clock to make the farm fruitful.

By the time you receive this, the farmhouse for the workers will be nearly fully completed. On my last trip in November, thanks to your amazing generosity, **we were able to purchase a rice milling machine** that has now arrived

at Hope Farm. This machine will be a game-changer for our farm. The next task will be to **build a small work shed** to house and protect the unit. Please consider helping us raise—with a special donation today—the necessary **\$7,500 to complete this project**.

**Agriculture and sustainability** are the future of Liberia, especially in the more rural and remote areas. Together, we are changing Liberia, one life at a time.

Please see the reverse side of this newsletter to read about a couple of the projects you have helped us accomplish over the past 60 days. We are **truly grateful for your support of Liberia** and her beautiful people.

With our warmest regards,  
*Joe & Karen Amaral*

***"Fellow Citizens! Our prosperity and independence are to be drawn from the soil. That is the highway to honor, to private and national prosperity."***

Hilary Teage · Anniversary Speech · Monrovia, Liberia · December 1, 1846

# THANK YOU!

## Here is how your donations continue to make a difference in Liberia . . .

Pastor Daniel Seakor has a passion to reach the lost for Christ. He and his church took a huge step of faith to buy some property and build a church in a new area. His vision is to establish home-churches throughout the community. Your giving is helping bring the hope of the Gospel to the residents of this area.

Joshua Blahyi has dedicated his life to rescuing at-risk young men and women from some of the most violent and dangerous ghettos in Liberia. He has built a community that includes sleeping areas, a bakery, a school, and a detox center. His goal is to help these young people come off drugs, teach them a trade, and release them back into the community as productive citizens. Your giving is helping dozens of young people every year.

*“Thus, by their fruit you will recognize them.”—Matthew 17:20*
